

# STYLANCE BRUSH CLEANER

## EASY STEP-BY-STEP USER GUIDE

### 1 FILL UP

Fill the container with demineralized water to enable the steam function.

### 2 TURN ON

Turn the machine on, let the water heat up before using the steam clean.

### 3 CLEAN OFF

Start cleaning in the lower compartment to remove the tangled hairs.

### 4 STEAM

Continue the cleaning with hot steam in the top compartment for 10 sec.
