

DISICIDE® HAND SANITIZER GEL

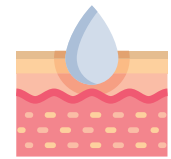

DISICIDE®

The product is ethanol-based and has an **alcohol content of 70%** by volume

For effective **hand disinfection**

Contains **glycerin** that moisturizes the skin

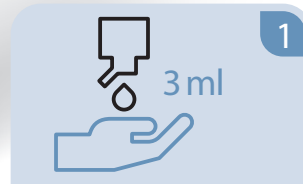

Is **effective against bacteria** and many types of viruses such as cold virus and flu virus

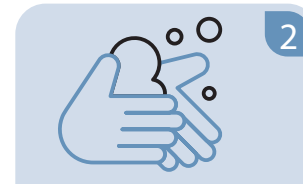

Proven effective against **bacteria and virus** included COVID-19 under EU regulations EN 1500

The product has a UN 1170 hazard class for transportation, **flammable**

Put enough sanitizer on your hands to cover all surfaces. Around 5-6 drops.

Rub your hands together until they feel dry.

Action time about 30 seconds.

Do **NOT** rinse or wipe off the hand sanitizer before it's dry; it may not work well against germs. Air dry it.
