

DISICIDE® LAUNDRY DISINFECTANT

DISICIDE®

Water-based,
ethanol-free
laundry disinfectant

Environmentally
friendly biocidal **vegan**
product

Disinfects **washing machines** as well.
Thanks to the disinfectant properties
of the concentrate you save energy
and increase the lifespan of fabrics. Instead
of washing on 60°C you can use 30°C program
and get the desired antibacterial effect

The product is
not flammable and has
no Hazard class for
transportation and
is not regarded
as **dangerous goods**

Proven effective
against **bacteria**
and **virus** under EU
regulations EN 13697

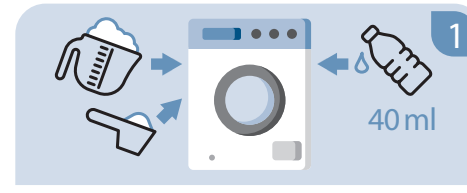

The product does
not bleach and can be
used on textiles and
fabrics of any color

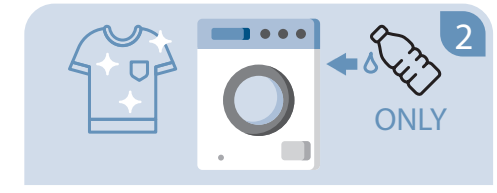

Eliminates
bad odors

Disicide® Laundry Disinfectant
is a highly effective, unique
product that is specially
produced to disinfect towels
and working clothes
in Hair & Beauty salons, Hotels,
SPA and Pet Grooming salons.

Use detergent and softener as
usual, **add 40 ml of concentrate**
per wash in softener compartment
and wash at 30-40°C.

If you have no visible stain
on your laundry you can skip
detergent and softener and
use **only the concentrate**.
