

TRIMMERCIDE® HYGIENIC BLADE CLEANER

**Water-based,
alcohol-free**
hygienic spray for
all type of blades

100%
Vegan

For **professional**
use only. Spray
provides a sanitized
surface of blades

Contains **Vitamin E**
and extends life
of blades

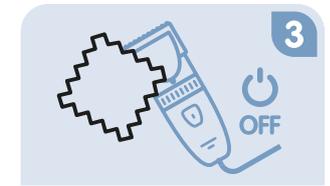

For all trimmer and clipper blades. Spray provides a sanitized surface and extends the life span as it contains vitamin E.

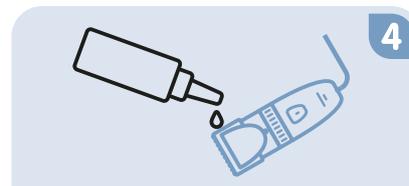

Spray two to three times directly on the blade assembly with the machine on, making sure the spray does not reach the housing or motor!

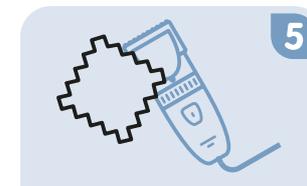

Leave to act for **1 minute**.

Wipe off with paper or microfiber cloth.

Apply a one drop of Trimmercide Oil to each side of the blade and three drops over the teeth.

Wipe with paper or microfiber cloth.

Enjoy maintained sanitized clipper.
