The Fingerbrush Care Iconic double bristles is a new ultra-detangling version of the fingerbrush! Thanks to its extra flexible and doubled nylon bristles in a V shape, the passage of this Fingerbrush is more pleasant. The doubled bristles go twice as deep into the mass of the hair and their flexibility makes it possible to untangle knots gently without breaking them. It is a fingebrush that will suit curly hair people! Made of recycled material.

Gentle and pull-free detangling – The V-shaped nylon bristles glide through the hair effortlessly. One brush to suit all hair types.

Suited for dry and wet hair – Ideal for detangling directly at the wash station or giving the final styling touch-up to dry hair.

No breakage – Thanks to the V-shaped nylon bristles, knots are smoothed without pulling or breaking, for shiny and healthy results.

Extra flexible – The curved, scalp-hugging shape of the brush and its unique finger-shaped design ensure gentle detangling while softly massaging the scalp.

Sectioning pick – The built-in sectioning pick lets you separate hair with speed and accuracy, making clean partings easy during any styling routine.
